

# INFORMATION ABOUT INTERNATIONAL CLASSROOM

**Hibarigaoka  
Elementary  
School**

The International Classroom at our school offers tailored learning support, focusing primarily on Japanese language instruction for students of foreign nationality. The teacher responsible for the International Classroom provides step-by-step instruction on the following :

1. **Basic Japanese Language Skills (Conversation)**
2. **Skill-based Japanese learning such as "reading" and "writing"**
3. **Japanese language learning tailored to each school subject**

If you are experiencing any difficulties such as "not understanding Japanese well," "being able to speak but having insufficient reading and writing skills," or "having trouble getting used to Japanese culture and customs," please consult with the school.
